Read and Save these *I*nstructions

- Required for Installation:**
- Phillips-head screwdriver
 - Six #6 fasteners

- Accessory Kit Includes:**
- ✓ 4 Nuts
 - ✓ 2 Lock Washers
 - ✓ 2 Screws
 - ✓ 1 Power Cord with Ferrite to reduce radio interference
 - ✓ 1 Backing Plate
 - ✓ 1 Double Sided Adhesive Pad

1. Installation

- I. Test the positioning of the fan before starting installation. Place 2 nuts in hex holes on back of backing plate before mounting. Using the double sided tape provided, temporarily attach backing plate to wall. Please note that this is a semi-permanent adhesive.

Place nuts in hex holes on back of backing plate before mounting

- II. Secure backing plate to wall using six #6 fasteners.

Fasten here

III. Wiring

- a. Place wire marked positive onto positive base screw, then negative to negative base screw.

- b. Secure wires following the order illustrated below. Place Ferrite in space beside base screw.

- c. Depending on how you are installing your fan, feed wire through notch on either end of base or through corresponding holes on backing plate.

IV. Slide fan base onto firmly secured backing plate. Secure fan to backing plate with two screws provided.

2. Operation

The fan blade must be clear of any obstructions that would cause the blade to **jam**. Lock fan arm in position before turning on.

i. Lock Latch

Flip Lock Latch upwards to unlock fan arm. Rotate fan arm to desired direction. Push latch back down to lock fan in position.

ii. Speed

Press Power/Speed button once for low speed, twice for medium, three times for high and four times to turn fan off.

iii. Timer

This fan is equipped with a timer feature that allows you to set a running time of 3, 6, 9 or 12 hours.

To set timer, press Timer Button 1, 2, 3 or 4 times. The LED bar will light up beside selected time and fan will shut off when the timer setting expires.

To turn the fan off mid timer, press the Timer Button until the LED bars disappear, and then press the Power/Speed button to turn the fan off.

3. Specifications

Fan Speed	Current Draw Amps		RPM
	12 Volt	24 Volt	12 & 24 Volt
Low	0.12	0.06	1200 \pm 100
Medium	0.22	0.11	1500 \pm 100
High	0.35	0.21	1800 \pm 100

Maximum Airflow: 140 CFM (Cubic Feet Per Minute)

238 m³/h (Cubic Meters per Hour)

4. Care and Maintenance

The Sirocco II requires very little maintenance. By following the instructions within this manual, the fan will operate problem-free for years. Turn power off to clean. A vacuum can be used to clear the fan of any dust build-up and a dry cloth may be used to wipe the surface. Do not use gasoline, thinner or other harsh chemicals to clean fan.

5. Replacement Kit

The Sirocco II motor is designed for thousands of hours of operation. Should the fan begin to spin slower over time, a simple motor replacement may be the solution.

6. Safety

Reverse polarity protection ensures protection of the fan when the input supply is connected in the reverse way.

Overcurrent protection ensures protection against short circuit or damage to the motor.

7. Warnings

Do not position too close to any objects that may be drawn into the blades and stop the airflow.

Do not use outdoors.

Do not use on wet surfaces or immerse in water.

Never allow water to drip into motor housing.

Do not use if power supply cord becomes frayed or brittle.

Do not use gasoline, thinners or other harsh chemicals to clean fan.

Do not use near **fireplaces**, furnaces, stoves or high temperature heat.

This appliance is not intended for use by persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

Children should be supervised to ensure that they do not play with the product.

Limited Warranty/ Garantie limitée

www.caframo.com/warranty

This product has a 2 year limited warranty from the date of purchase.
Ce produit a une garantie limitée de 2 ans à compter de la date d'achat.

Limited Warranty

The product you have purchased has been guaranteed by the manufacturer for the warranty period stated starting on the date of purchase against defects in workmanship and/or materials. This guarantee does not apply if the damage occurs because of accident, improper handling or operation, shipping damage, abuse, misuse, or unauthorized repairs made or attempted. Only parts that prove to be defective during the period of guarantee will be replaced without charge.

When goods are sold in AU or NZ, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In order to claim the warranty on a purchased product, you may contact us at

Garantie limitée

Le produit que vous venez d'acheter est garanti par le fabricant pendant le période indiquée après l'achat contre les défauts de fabrication et de matériaux. Cette garantie ne s'applique pas en cas de dommage dû aux accidents, à une mauvaise manipulation ou utilisation, à l'expédition, aux abus, à un usage impropre ou à des réparations non autorisées. Seules les pièces trouvées défectueuses durant la période de garantie seront remplacées gratuitement.

Lorsque les produits sont vendus en Australie ou en Nouvelle-Zélande, ils sont livrés avec des garanties qui ne peuvent pas être exclues en vertu de la loi australienne sur la consommation. Vous avez droit à un remplacement ou à un remboursement pour un défaut majeur et à une compensation pour toute autre perte ou dommage raisonnablement prévisible. Vous avez également le droit de faire réparer ou de remplacer les produits si ceux-ci ne sont pas de qualité acceptable et que la panne n'est pas une panne majeure.

Pour réclamer la garantie d'un produit acheté, vous pouvez nous contacter au service à la clientèle - (en dehors des États-Unis / Canada) + 1-519-534-1080 / (pour les États-Unis / Canada - numéro gratuit) 1-800-567-3556
