

CAMEC 12V SURFACE MOUNT RANGEHOOD

Our updated 12V Surface Mounted Rangehood is designed to elevate your kitchen experience. Its versatile design, incorporating touch panel controls, makes it an ideal choice for caravans, campervans and motorhomes. Experience the following benefits when you choose our rangehood for your caravan.

Features

Mobile Ventilation:

Ensure a comfortable and odour-free cooking environment inside your caravan. The 12V power supply makes it perfectly suited for all types of mobile living, allowing you to enjoy efficient ventilation wherever your travels take you.

Space Optimisation:

With its compact surface mount design, this rangehood is tailored to maximise space efficiency in your caravan kitchen. Enjoy effective ventilation without sacrificing valuable storage space.

Energy Efficiency for Mobile Living:

The 12V power supply makes it suitable for caravans and ensures energy-efficient operation, helping you conserve power resources during your travel.

Easy Installation for Travel Convenience:

Our rangehood is designed for quick and easy installation, perfect for the on-the-go lifestyle of caravan owners. The straightforward setup allows you to focus on your adventures rather than complicated installations.

Quiet Operation for Tranquil Travel:

Experience the tranquillity of your caravan with the low-noise operation of our rangehood. Enjoy your cooking endeavours without the disturbance of loud ventilation, making your travels more peaceful and enjoyable.

Durability for Travel Challenges:

Built with durable materials, our rangehood can withstand the challenges of mobile living. Whether you're navigating outback Australia or encountering various weather conditions, you can rely on the durability of our product.

Upgrade your caravan kitchen with our updated 12V Surface Mounted Rangehood, bringing the convenience of efficient ventilation wherever your adventures may lead. Enjoy the freedom to cook comfortably and maintain a fresh atmosphere on the road.
