

## PRODUCT INFO

# DOMETIC FRIDGE SLIDE RANGE

The most efficient way to access your fridge while maximising packing space in your vehicle. This heavy-duty slide is optimised for the CFX3 Fridge/Freezer Series and features a hold-open mechanism and high-strength bearings that allow the tray to extend nearly 100% from the anchored base, offering full access. Each slide features a slide out utility board, further extending your workspace and making meal prep easy with quick access to the fridge.

# EXTEND YOUR SPACE

## Benefits with Dometic Fridge Slide

- Mountable to any flat surface, including drawer systems and pickup truck beds
- High-strength bearing slide rails allow the tray to extend nearly 100% from the anchored base with an effortless action
- Front panel includes integrated bottle opener
- Features a hold open mechanism to prevent the slide from closing when the vehicle is parked on uneven surfaces so the slide can be secured in closed and fully extended positions
- Finished in a durable weather-resistant black powder coating
- Four Dometic straps are included to secure your fridge to the fridge slide
- Tailored feet nesting and mounting holes to suit the CFX3 range
- The slide-out utility board gives you an additional work surface, interim storage or food preparation area
- Mounting hardware included
