| | |
|---|--|
| SUPPLIER: | ENGEL |
| Long description/ product summary: | <p>MT-V45FC (MT45F-G4CD-V): 40 LITRE COMBI CHEST FRIDGE / FREEZER DIGITAL MT-V SERIES</p> <p>The Engel MT-V45FC Combi is a combination Fridge and Freezer, with the added feature of a removable divider and thermostatically controlled fan giving you three versatile configurations:</p> <p>Option 1: Freezer 16 Litres / Fridge 23 Litres (total 39 Litres) Option 2: Freezer 22 Litres / Fridge 17 Litres (total 39 Litres) Option 3: Fridge only (Divider removed total 40 Litres) NOTE: The MT-V45FC is NOT a "Freezer only".</p> <p>NEW MODEL... The Digital MT-V Series unit features the new user-friendly digital control with built in battery monitor. Upgraded features include new Door Latch Assembly, Door Handle, Carry Handles and Corner Protectors. The unit has all the features, efficiency and reliability you have come to expect from Engel, including being powered by the world renowned "Sawafuji Swing Motor". Look for the distinctive Gunmetal finish, rugged steel casing, steel lid and steel handles which double as tie down points. The MT-V45FC is compatible with the range of accessories for the MT-V45F. Now with fixed lid hinges and the optional removable hinge included. Supplied with both cords, the 12 volt cord plugs straight into your vehicles cigar socket and the 240 volt lead with three pin plug. Auto switching is standard removes the need for the user to switch the power sources manually.</p> <p>The thermostatically controlled fan built into the cabinet wall draw air from the freezer compartment and maintain the fridge compartment at +4 degrees by cutting in and out between +2 and +5 degrees.</p> |

12VFUSE :: Fuse 12 Volt Suit Cigar Tip

The 12volt Fuse is designed to protect your vehicles wiring harness in addition to working as a normal fuse. The thermal fuse is unique as it measure resistance which generates heat when there is wiring issue.

DLA-V :: Door Latch Assembly

Lid latch suit all F series and V series Engel Fridge Freezers. Now with hole to secure with a padlock. Fits all Engel Models except MR40F, MD14, MT17 and MT27.

45CFB-V :: Refrigerator Basket

Larger food basket to suit MT45FCP and MT-V45FC

45CFB-V :: Freezer Basket

Smaller food basket to suit MT45FCP and MT-V45FC

45CD-V :: Fridge-Freezer Separator

Insulated dividing wall to separate fridge and freezer compartments in the MT45FCP and MT-V45FC

Accessories available:

JCOIL :: Retractable 12 Volt Cord

This cord is fitted with a posi-fit connection on one end but can also be fitted with a D-PLUG cigar tip to go into your cigarette lighter. The other end fits your C, D, E, F and V Series

TBAG45G :: Engel Transit Bag – *The Original Canvas*

The Genuine Engel Transit bag is a heavy duty insulated cover that protects your investment from bumps and scratches maintaining its resale value. It also increases the "cold hold down" time assisting in reducing power consumption in some conditions. Suit MT45F and MT-V45F.

TSL530-540 :: Transit Slide Lock

The easy and simple way to secure your Engel portable fridge-freezer in your vehicle. Suit 29 Litre to 40 Litre Chest Models, including MT35F, MT45F, MRFT540E, MRFT530E, SS40F, Traveller, MR40F Eclipse.....

530/540SLIDE :: Fridge Slide

NEW DESIGN.

Very heavy duty Fridge Slide to suit 29, 32, 39, 40 litre Engel Chest Fridge – Freezers. Heavy duty steel construction, very versatile with a solid base so it can be used for storage of almost anything, tool boxes, cookers even ice boxes.

***** :: Lock N Lock Food Storage Containers**

ENGEL 'Lock & Lock' stackable airtight containers. Absolutely 100% air & liquid tight. Dishwasher & Microwave safe. Ideal for all models of Engel Compressor fridge / freezers new and old. Great for inside Engel Ultra-Cool Ice Boxes.

TDB560 :: Tie Down Brackets

Set of 4 brackets including all screws to suit models MT35, 45, 60, 80 MT-V Series and the older model MRFT 530, 540, 560.
