

PRODUCT INFO

DOMETIC FRESHJET RV AIR CONDITIONER SERIES 7

Introducing the new Freshjet RV air conditioner series. Featuring a streamlined design throughout the range, combined with superior cooling performance, optimised airflow, and the quietest operation yet. The Series 7 features the next generation of Dometic's leading inverter technology, delivering the quietest and smoothest operation, perfect for off-grid applications. Each model is designed to be compact and have a minimal footprint so you can utilise valuable rooftop real estate for solar panels and other needs. CleanAir ensures circulating air is fresh and clean thanks to the built-in air purification system. The new air distribution box (ADB) gives you complete control over the system, along with remote and full Wi-Fi/Bluetooth connectivity, cooling and heating is only a touch of a button away.

SLEEK DESIGN, GREAT PERFORMANCE

Specifications

REFRIGERATION TECHNOLOGY Compressor

REFRIGERANT TYPE R32

TEMPERATURE RANGE -2°C to 52°C

INPUT VOLTAGE (AC, V) 220-240

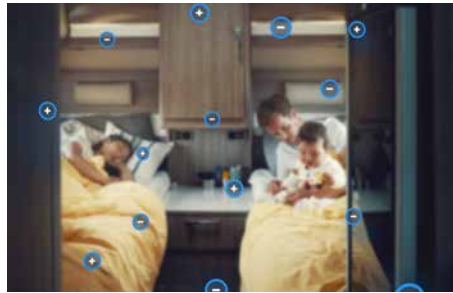

OPENING SIZE (mm) 360 x 360
400 x 400

Fresh design, superior cooling performance, optimised airflow, amazingly quiet operation - these are the outstanding features of Dometic's new generation of RV air conditioners. Available in models depending on your needs - electronic touch control panel and CleanAir technology.

1. Superior energy efficiency

Reduced power consumption allows a longer run time on batteries and generators

2. CleanAir™ technology

Keeps your RV smelling fresh and clean thanks to the air purifier system

3. Premium air distribution box (ADB) with full connectivity

Air distribution box with touch control panel with remote, integrated ambient LED light and Wifi/Bluetooth connectivity all in a stylish modern design (sold separately)

4. Next generation of Dometic inverter technology (7 series models)

The quietest and smoothest operation ever, perfect for off-grid adventures

5. Modern and fresh design

Aerodynamically shaped rooftop unit

6. Lightweight and compact

Ideal for optimised rooftop layout and our lightest range yet
