

# FURRION

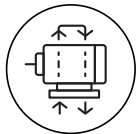

---

FACR09SM-PS

## 9K BTU Rooftop Unit for the Australian Market

**Low profile design promotes energy savings**

**Dual-motor system ensures quiet operation**

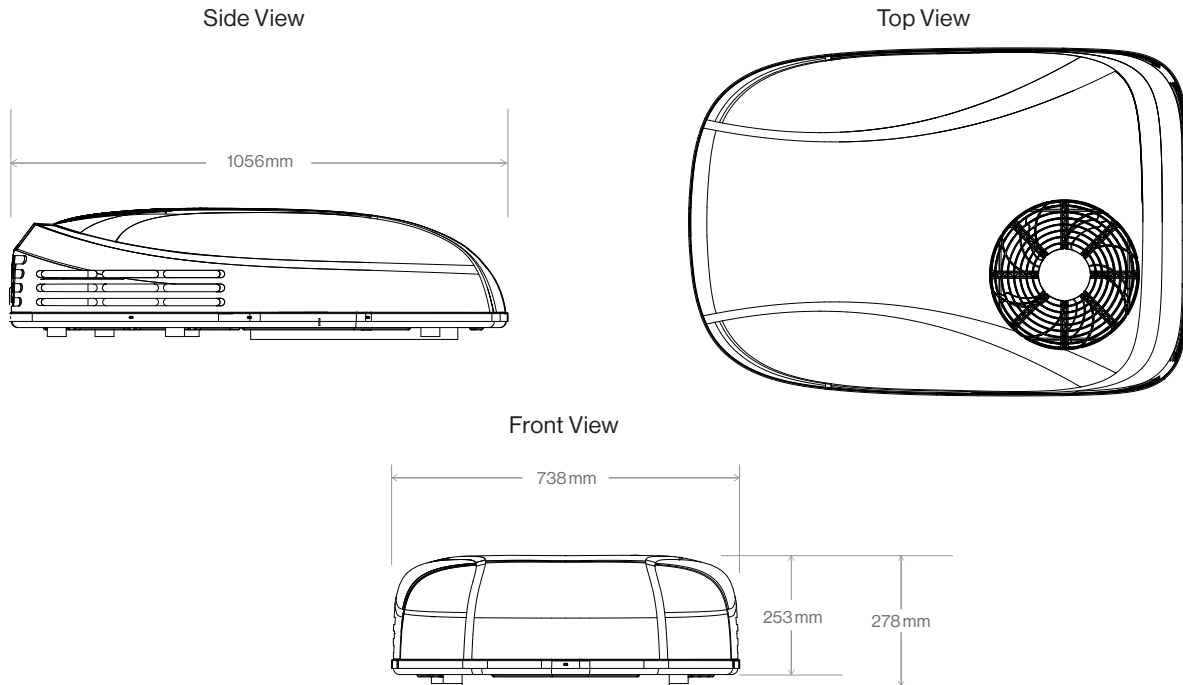

**Low power consumption and energy efficient at 1000W usage for cooling and 800W for heating**

### Features

---

- Cooling capacity of the rooftop unit is 9000 BTU and heating capacity is 9500 BTU
- Vibrationsmart™ technology to withstand varying degrees of road conditions
- Climatesmart™ technology to ensure operation in a wide range of operating temperatures

## 9K BTU Rooftop Unit for the Australian Market ( FACR09SM-PS)

### Specifications

#### Performance

|                              |                                       |
|------------------------------|---------------------------------------|
| Cooling capacity             | 2640W / 9000 BTU                      |
| Heating capacity             | 2780W / 9600 BTU                      |
| EER                          | 2.1 (Cooling) / 2.6 (Heating) nominal |
| Refrigerant                  | R410a                                 |
| IP Class                     | IP24                                  |
| Outdoor sound pressure level | ≤61dBA                                |

#### Electrical

|                             |               |
|-----------------------------|---------------|
| Volts/Frequency             | 220-240V/50Hz |
| Power consumption (Cooling) | 1000W         |
| Power consumption (Heating) | 800W          |
| Cooling amps                | 5.5A          |
| Heating amps                | 4.9A          |

### Features

|                                |   |
|--------------------------------|---|
| Eco-friendly refrigerant       | ✓ |
| Efficient heat exchanger coils | ✓ |
| Smart control                  | ✓ |
| 3 fan speeds (High/Med/Low)    | ✓ |
| Rubber damper                  | ✓ |
| Dual fan motors                | ✓ |
| Heat pump                      | ✓ |
| Overload protection            | ✓ |
| Vibration smart                | ✓ |

### Dimensions and Weight

Product Dimensions (W x H x D) 738 x 278 x 1056mm

#### Packaging

Packaging Dimension (L x W x H) 1108 x 758 x 308 mm

Gross Weight (kg / lbs) 47.0 / 103.4

Net Weight (kg / lbs) 42.0 / 92.6
