AUSSIE TRAVELLER

PREMIUM AIR VENTS

Experience comfort all year-round in your vehicle with the Premium Electric and Manual Air Vents

Enhance your RV or caravan with the stylish smoke black or white lids from Aussie Traveller's Premium Air Vents. This range provides a top-tier ventilation solution, combining high-quality construction with exceptional performance. Tailor your experience by selecting between manual or electric control based on your preferences.

Experience versatile ventilation with our Manual Air Vents, equipped with 3-speed fans and LED lights, designed to complement any RV. Elevate your caravan or RV with the premium Electric Air Vent, a feature-packed model boasting a remote control, rain sensor, and powerful 6-speed fans. Tailor your preference by choosing models with or without LED lights.
