

SCANSTRUT

Add the ultimate upgrade to your Golf Carts with our **Waterproof** Wireless Phone **Charging** Mount.

Wattage	10W
Input Voltage Range	10-30V DC (12/24V System)
Input current max	2A
Output Power	10W (9V, 1.1A)
Standby Power Draw	<0.1W

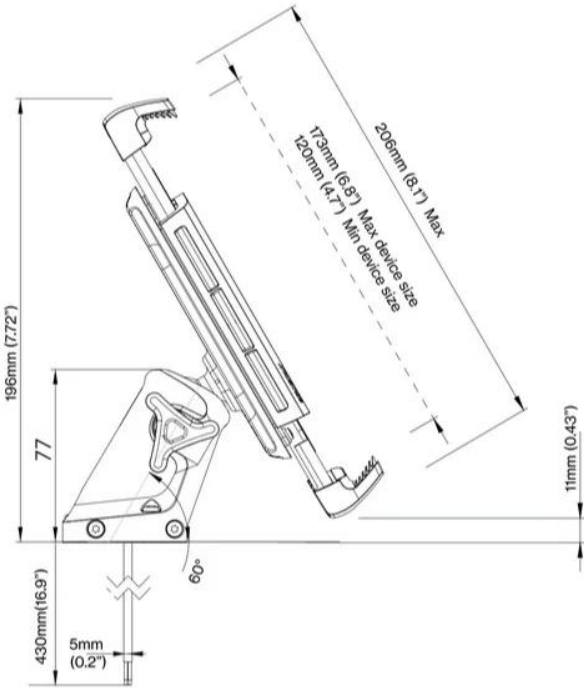

- 12/24V
- 10W Fast Charging
- IPX6 Waterproof
- Qi Certified
- Instant Charging
- Mount & Charge
- High Friction Grip

- Rotate your phone through 90 degrees
- Switch up your phones viewing angle on the move
- Single-Handed Docking
- Fits all Phones
- Works with Phone Cases
