

SEAFLO 40 PSI WATER PUMP

A compact 40 PSI, 3.8 LPM pump suitable for camper trailers and caravans.

Part Number

SFDP1-010-040-21

SEAFLO[®]

DEVELOPMENT

Camper trailers and caravans require reliable and compact pumps to introduce and discard water.

SOLUTION

The SEAFLO water pump is a miniature multi outlet water pressure pump made to a very convenient size for your camper trailer.

BENEFIT

SEAFLO's 12V water pressure pump has an in-built adjustable pressure switch making it easy to control your water pressure. It's compact size allows for easy installation in a variety of applications.

EFFICIENCY

Compact design that automatically starts and stops when faucet is opened and closed.

A VERSITILE COMPACT PUMP

A 12V water pump, with low current draw making it perfect for the sink in a small camper trailer. These diaphragm pumps are self-priming and can be run dry without harm.

It provides up to 3.8L per minute. This compact, automatic demand water system pump has a built-in pressure switch, which automatically starts and stops the pump when faucet is opened and closed.

FEATURES

Maximum 4A power draw

Compact design

Adjustable pressure setting

3/8" (10mm) inlet/outlet
