Caprice - Fan Forced Oven

COOKING APPLIANCES

ALL THE COMFORTS OF HOME

Who says you can't enjoy culinary cooking in your camper, caravan or holiday home? With the well-designed hobs, ovens, grills and sinks from Thetford, you can! Our cooking appliances are designed to be as home like as possible. We use the highest quality materials and thoroughly test each appliance to ensure its ultimate safety - and your satisfaction.

Thetford cooking appliances

Home-like cooking anywhere!

Of course, every Thetford product is thoroughly tested to ensure ultimate safety and customer satisfaction. It goes without saying that all products are AGA (The Australian Gas Association) approved to the latest Australian standards. All Thetford Cooking appliances are designed and manufactured in the British city of Sheffield and they also come with a three year warranty.

ADVANTAGES

- ✔ High-quality materials and components
- ✔ Contemporary, home-like design
- ✔ Domestic size knobs
- ✔ With automatic shut off on glass lids
- ✔ Easy to clean
- ✔ Optimal use of space
- ✔ Excellent finishing
- ✔ AGA approved
- ✔ Thetford offers a standard 3 year warranty on all products.

COOKERS

Designed specially for RV's, these units - from the all-in-one Caprice to an Oven or Grill Only when space is limited - look and cook beautiful. Thetford Cookers come in all kinds of sizes and shapes, to perfectly suit your requirements. Enjoy a better cooking experience today with the reliable, easy to use and safe Thetford Cookers.

Laminated lid

All Thetford Cookers (Caprice, Triplex and Mini-grill) come with a solid black glass lid, which now also has the laminated lid option. This smart Thetford innovation makes it possible to easily create a smooth and clean look that perfectly blends in with the rest of your kitchen interior. Just slide in the matching décor panel or go for the original black glass lid. The updated glass lid still has the automatic shut off on it and needless to say, is approved by the AGA.

Inquire with your caravan manufacturer or dealer regarding the options for your RV.

HOBBS

You can see and experience that each hob has a well-designed layout to achieve the best ease of use for cooking. There is plenty of space for the different sized pans, to reach the domestic-size knobs. The well-selected materials are thoroughly tested and optimised to fulfil the high standards that a Thetford product stands for.

Topline 902 and 922 hob

The new Topline 902 and 922 hobs are both sleek, surface-mounting 2 burner hobs. Both come with a ceramic glass top for a clean and modern look. Available with either two gas burners or two induction hot plates, they make a perfect couple when combined next to each other. Induction offers fast cooking, saving time to do other things during your holidays. Gas cooking allows you to cook wherever you are, giving you maximum flexibility.
