THE THUNDER DIFFERENCE

Thunder helps take you places you've never been before, making adventure more affordable and accessible for up and coming 4WD enthusiasts. Designed for the working adventurer, Thunder products have been tested and developed to handle anything you can throw at them without breaking the bank.

THUNDER TRAILER PLUGS

The Thunder Trailer Plug range offers a range of sizes and styles to suit a variety of applications.

Thunder trailer plugs are made from high quality nylon plastic or zinc metal and have been carefully designed to suit the needs of the modern weekend adventurer. With a selection of sizes and styles including 7 or 12 pin round and flat plugs or sockets, Thunder trailer plugs are the reliable connection to your weekend escape.

KEY FEATURES

Construction: Thunder trailer plugs are constructed with high quality nylon or zinc to ensure they last on your weekend escapes.

Connection: Each plug utilises high grade copper pins to ensure a reliable connection.

Pins: The range includes 7 and 12 pin sockets and plugs, in both round and flat configurations.
