

25L MICROWAVE

A compact and easy to use microwave that will fit in perfectly to your RV kitchen.

The Aussie Traveller 25L microwave oven features 10 power levels and 6 auto cooking settings, making it the ultimate RV appliance for all levels of camping cooking. The Aussie Traveller 25L microwave oven's 6 auto cook settings easily allow you to heat or cook popcorn, potatoes, frozen vegetables, beverages, dinner plates or even pizzas.

The express cooking function allows you to prepare and heat meals quickly so you can enjoy your time in the great outdoors. The defrost function lets you choose between weight or time as well as multi-stage cooking function which will defrost and cook your meals all in one step. With the 10 power levels there is even greater variation on what you can make while away.

The 25L Microwave Oven is the perfect size for families and includes the added benefit of safety with its built in Child Safety Lock.
