LED FLASHLIGHT

Illuminate any dark situation with an extra bright 450 lumens LED bulb.

USB-A PORT

Conveniently charge your phone or tablet.

EMERGENCY LIGHT

Have a backup power source ready or a handy light in case of emergencies.

CAR JUMP STARTER

Easily jump start vehicles with 12V batteries.

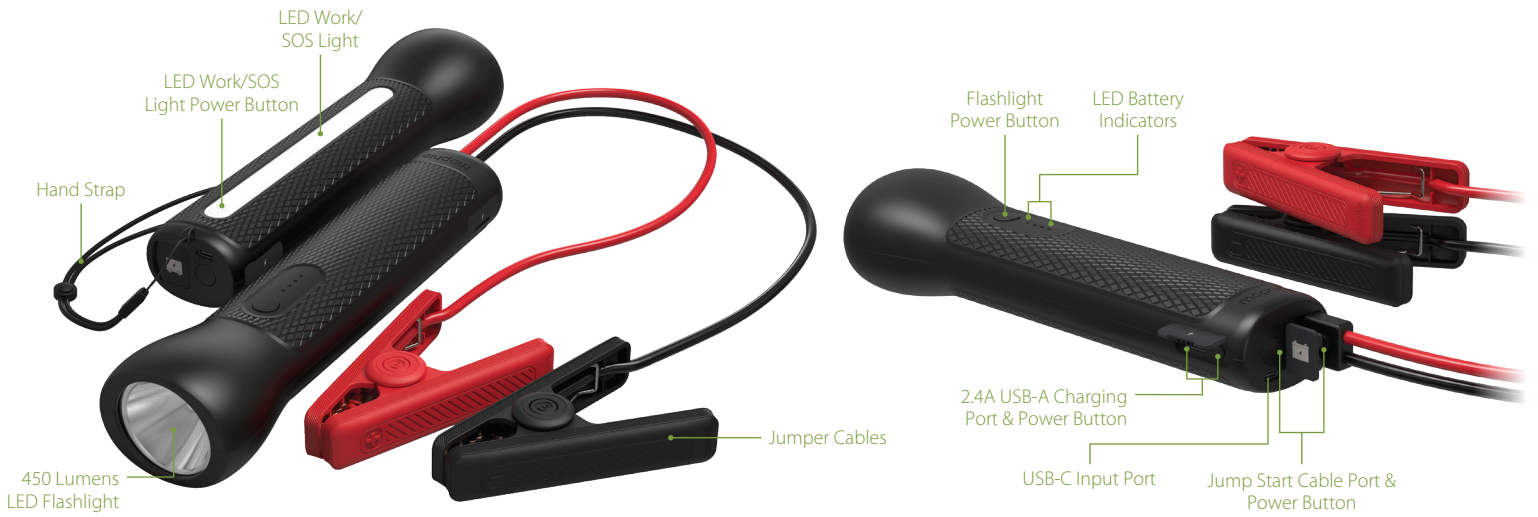

Key Selling Points

- The extra bright 450 lumens LED bulb brightens any dark situation.
- Charge your tablet, smartphone or any other USB device with the USB-A port.
- Includes mini jumper cables to easily jump start your vehicle.
- Easy-to-read indicator lights, spark-proof jumper cables, and automated checks help make the jump start process as fool-proof as possible.
- The convenient floodlight is built for everyday emergencies and includes an SOS feature and a high-visibility red light.
- An included pouch helps keep all the accessories organised and includes instructions printed right on it for easy reference.

The next generation of universal power.
